This meeting is classified as

TLP:RED

Sources may use TLP: RED when information cannot be effectively acted upon by additional parties, and could lead to impacts on a party's privacy, reputation, or operations if misused.

Recipients may not share TLP: RED information with any parties outside of the specific exchange, meeting, or conversation in which it is originally disclosed.

This meeting is classified as

TLP:AMBER

Sources may use TLP: AMBER when information requires support to be effectively acted upon, but carries risks to privacy, reputation, or operations if shared outside of the organizations involved.

Recipients may only share TLP: AMBER information with members of their own organization who need to know, and only as widely as necessary to act on that information.

This meeting is classified as

TLP:GREEN

Sources may use TLP: GREEN when information is useful for the awareness of all participating organizations as well as with peers within the broader community or sector.

Recipients may share TLP: GREEN information with peers and partner organizations within their sector or community, but not via publicly accessible channels.

This meeting is classified as

TLP:WHITE

Sources may use TLP: WHITE when information carries minimal or no foreseeable risk of misuse, in accordance with applicable rules and procedures for public release.

TLP: WHITE information may be distributed without restriction, subject to copyright controls.
